

*February 17, 2010*

*My Dear Friends in Rotary,*

*As you are probably aware my Rotary Club arranged to meet at our home today and this was the first time I had been able to attend a meeting since last July. I received a great surprise when John Carkner (DGE for D7810 and a member of our Club) presented me with a certificate of Appreciation and a very nice letter to mark my service with CRCID.*

*I have already said that I gained great benefit from being given the privilege to work with and meet many wonderful dedicated Rotarians who contribute so much to Rotary, TRF, CRCID and mankind. However, I do thank you the recognition and kind words you have said and written. I shall continue to serve in my limited capacity and I thank you for having given me many wonderful memories.*

*Just so that you can see that, at long last have the certificate and letter, hers is a photo of John making the presentation.*

*In Rotary,  
Mike Street*
