

# CRCID Testimonials

October 2009,

**PDG 2005-06 Jim Copland**  
**International Service chairman RIBI 2008-09**  
**Rotary Club of East Kilbride Kitch, District 1230=**

Dear John,

I would like to thank you for the wonderful time I spent with CRCID. The welcome and fellowship that was extended to me from CRCID was very special, also I would like to thank you and Fran for hosting me at your lovely home.

The outstanding quality of service that CRCID has developed has given me a real vision of the way forward for RIBI & OWID supporting UK Rotary Clubs in International Service.

Please pass on my best regards to all at CRCID. I will be in contact in the weeks & months ahead as we move forward.

Thanks to all

Kind Regards  
Jim

## **Extract from PDG Jim Copland's UNESCO "Water For All" Institute Address**

I had the privilege of addressing the Canadian Rotary Collaboration for International Development (CRCID) at their training and development weekend just two weeks ago in Toronto.

CRCID are at the cutting edge of International Development within Rotary, Committed Rotarians delivering outstanding programs in Water, Health, Hunger, Education, and Sustainable Development.

CRCID is The Very Epitome of Service Above Self.  
I believe that CRCID is Delivering the Rotary Template for international Development.

A CRCID water program in Kenya (Rift Valley) for Sustainable Water is delivering safe water; the program is rolled out on a repeat installation footprints that are giving the villagers safe harvested water that would have been lost.

This is just part of an ongoing program that will deliver safe water for thousands less fortunate than ourselves.
