Canadian Rotary Centennial Afghanistan Challenge

Building a Sustainable School To Build a Sustainable Future

We are engaging Canadians' support in the construction of a school in Afghanistan.

Our goal in this project is to raise \$300,000 for the construction and furnishings of the school.

Sustainability of this project is ensured as the Afghan Ministry of Education will assume ownership and operation of the school once completed.

How can I help?

Your contribution towards the “Canadian Rotary Centennial Afghanistan Challenge” will provide Afghan girls and boys a future of hope and opportunity!

STATISTICS

- 87% of Afghan women are illiterate ⁽¹⁾
- 63% of Afghan Children between the age of 6 and 13 remain out of school ⁽²⁾
